A great finish to the season for the B team. They achieved second place in Division 3, only Pulborough with 2 points more were ahead at the end. Very solid performances from the Pethick brothers playing at lead on 3 of the rinks set up victory. Joe Peters has been an ever present for the B team this year and finished as top ranked player for the Bs. Top second team skip for the 2015 season was John Hobbs who won 9 of the matches he skipped.
