Our bowlers enjoyed their afternoon in the sun against Bognor Regis and wins on three of the four rinks was evidence of the positive way the team played.

Captain Joe Peters was not only very pleased with the result he was also on the top winning rink along with John Proffitt, Butch Shakespeare, and skip John Hobbs.

There were obviously no tea problems today so maybe it could still keep its place as a mid-game ritual for friendlies?

We have a return fixture with Bognor in a couple of weeks at Waterloo Square. It is always a pleasure to play against our friends from Bognor.
