A: Emilio DiPietro, Derek Meechan, Keith Brinsmead, Richard Dray	15

Stuart Logan gets down to inspect another close head in the triples

A brilliant performance and result for Priory in this evening match against Chichester. Priory won in 3 out of the 5 disciplines. John Schools recorded a significant win against peter Whale. This was the first ever defeat for Peter in this competition! We were never in trouble in the triples and again the Chichester three experienced their first ever defeat in this competition! The real piece de resistance though, came in the pairs, John Fairs and Gary Wyatt took their game to an extra end and both players held their nerve to win that most valuable of extra ends. Priory will now have to play either Worthing Pavilion or Norfolk in the next round.
