Rink 5

H: W Burrows, J Peters, S Logan, M Smith	25
A: K Bishop, P Walden, J Holt, P Peters	11

## What a finish for the WSBL season!

Nail biting all the way through. The Priory A team stuck to their task in this winner takes all tie and successfully retain their first division status.

Congratulations to all the team in achieving a mid-table finish in a most difficult transitional season. Players were asked to play in positions they were not used to; many of last year's B team were suddenly promoted to the A's and had much more demanding roles asked of them. We did it though and now must build on what we have learnt for next season.

## Finally, well done to Captain Nick Eager for bringing us through.

And of course commiserations to East Preston who we wish well for a speedy return next season.

The photo indicates Nick knew something or somebody was on our side, or possibly the only way is up and on to better things next season!
