Rink 3 Lost 19-17

Rink 4 Lost 25-23

Rinks 1 and 2 lost heavily, but it was much closer on the other two rinks, up until the 18th end Peter Thorpe and his men were deservedly ahead, but 6 shots in the last 3 ends got Chichester another 2 points. Stuart Shwartz's rink literally slugged it out with their opponents like a couple of heavy weights trading blows. It was neck and neck all the way through and was decided only on the 21st end. All together a disappointing start to the campaign but the chance of revenge comes quickly as we play Chichester again in our next fixture.
